Reasons For Allowance

1. The amendment filed 2/10/06 has been entered.
2. Per applicant request, claims 24, 25, and 32 have been cancelled.
3. The following is an examiner's statement of reasons for allowance: The canceling of the rejected claims (24, 25, and 32) places the application into condition for allowance. The remaining independent claims (3 - method, 4 – system, 13 – medium, 17 – information processing apparatus, 20 – method for controlling an information processing apparatus, 23- medium for controlling an information processing apparatus) show importing the control panel externally to display a remote virtual control panel, with the combined features including: detecting the document set to a reader and in response causing a remote external device to display a virtual control panel (automatically - without any user instruction and before any reading operation) having an appearance identical or similar to at least part of the original control panel on the reader, generating a command of the reader apparatus corresponding to an operation of the virtual control panel by the user, and supplying the command to cause the reading of the document based on the user instruction via the virtual control panel. The features combined are not set forth in the prior art of record.

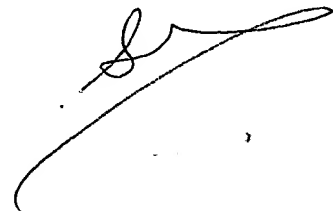

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
